## How to Register for Drop-in Classes on the Mobile App

## 1. Find Available Drop-In Classes

From the app's landing page, select the Classes tab on the bottom. Select a specific day from the calendar menu up top. The calendar scrolls left to show future weeks. Select a specific drop-in class to expand class details

## 2. Class Details & Enroll

Expanded class details are listed out on the page, including duration, location, specific room placement, cost and instructor.

1. Select the star to add future occurrences of this class to your personal favorites.
