

# Giving our members a **HIGH FIVE.**

## Exclusive Thoreau Club Member Benefits

At The Thoreau Club we have been committed to the well-being of our community since 1951 and we know that we're better when we work together.

That's why we developed our **Community Connections Program**, a comprehensive wellness network of local businesses and organizations that truly give back to you and to our community.

The  
**Thoreau Club**

Where families & friends belong
