

How to Register for Drop-in Classes on the Mobile App

1. Find Available Drop-In Classes

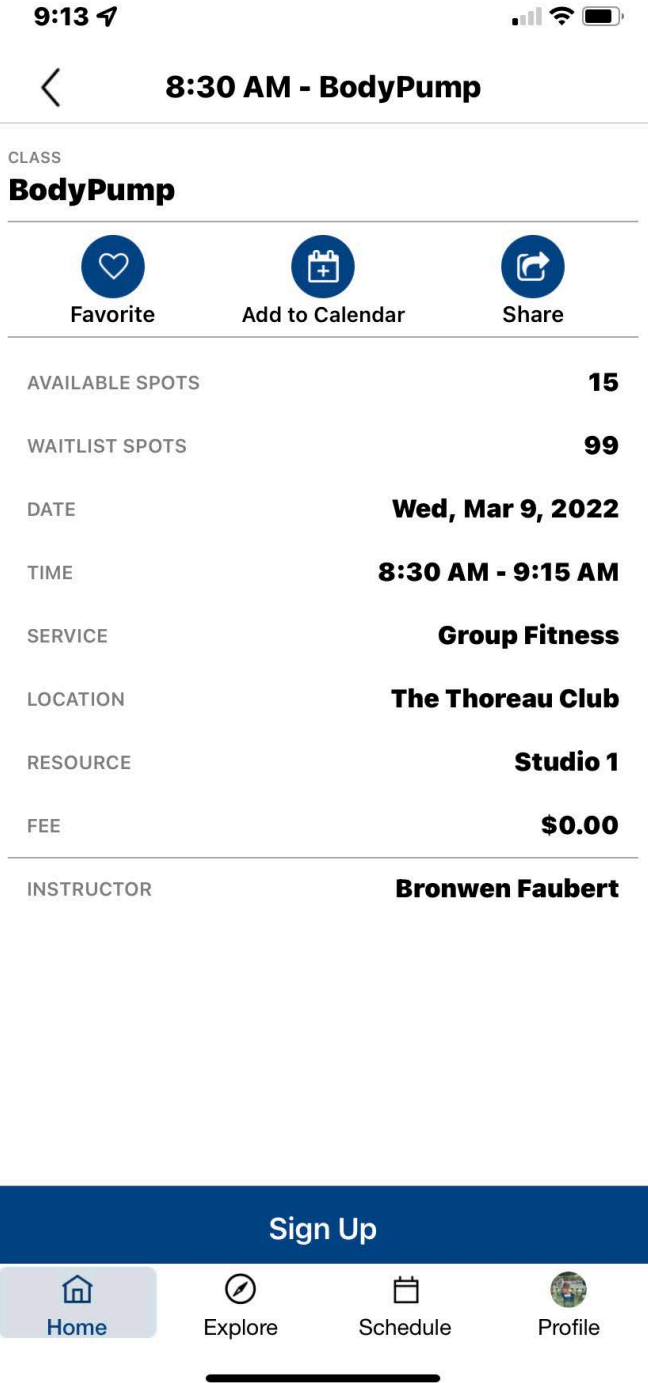

From the app's landing page, select the **Classes** tab on the bottom. Select a specific day from the calendar menu up top. The calendar scrolls left to show future weeks. Select a specific drop-in class to expand class details.

2. Class Details & Enroll

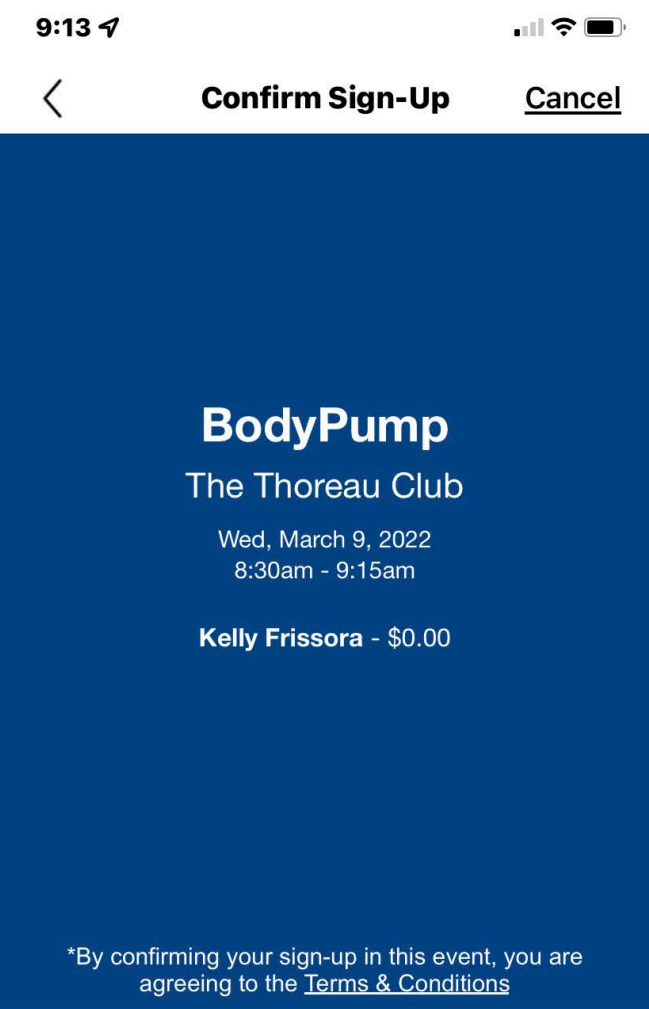

Expanded class details are listed out on the page, including duration, location, specific room placement, cost and instructor.

1. Select the star to add future occurrences of this class to your personal favorites.
2. Add to Calendar will put the class on your phone's calendar app.
3. Share allows you to share a link to this class via email, text, or other apps.
4. Select Sign Up to enroll in the class.

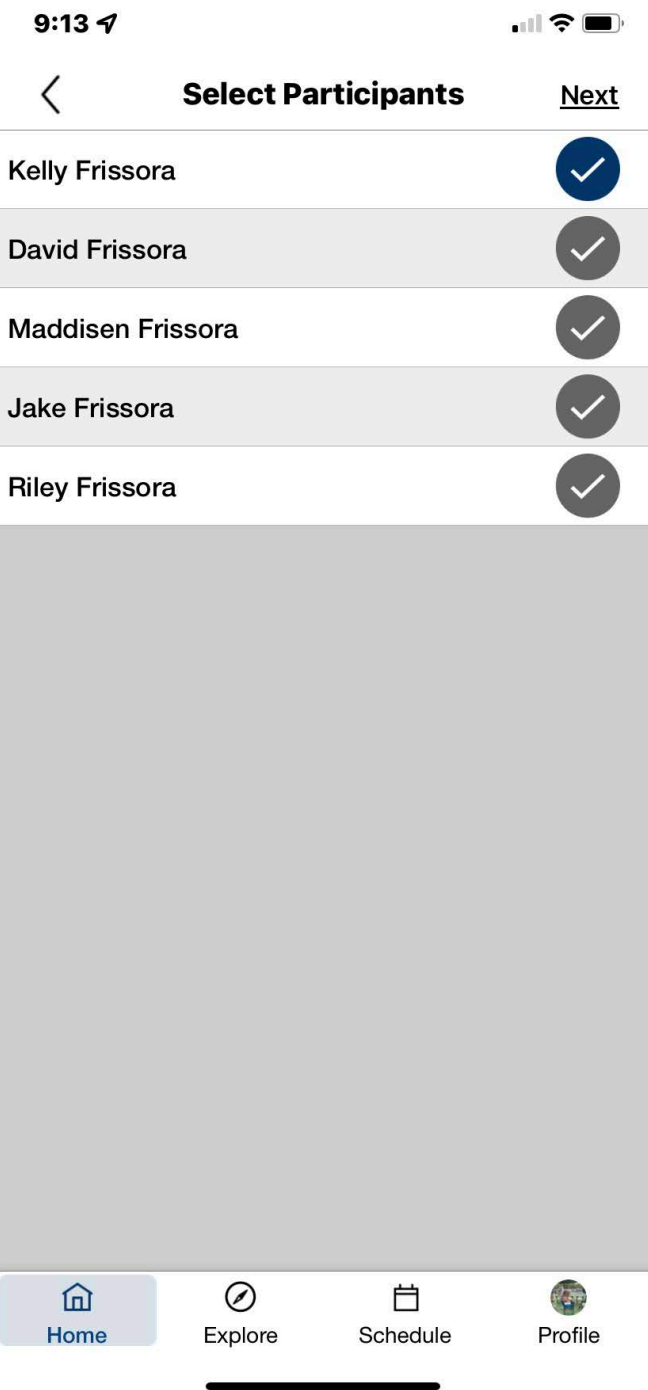

3. Confirmation & Payment

1. The Terms and Conditions are available to view through your browser.
2. Select Confirm to move forward to the payment screen.

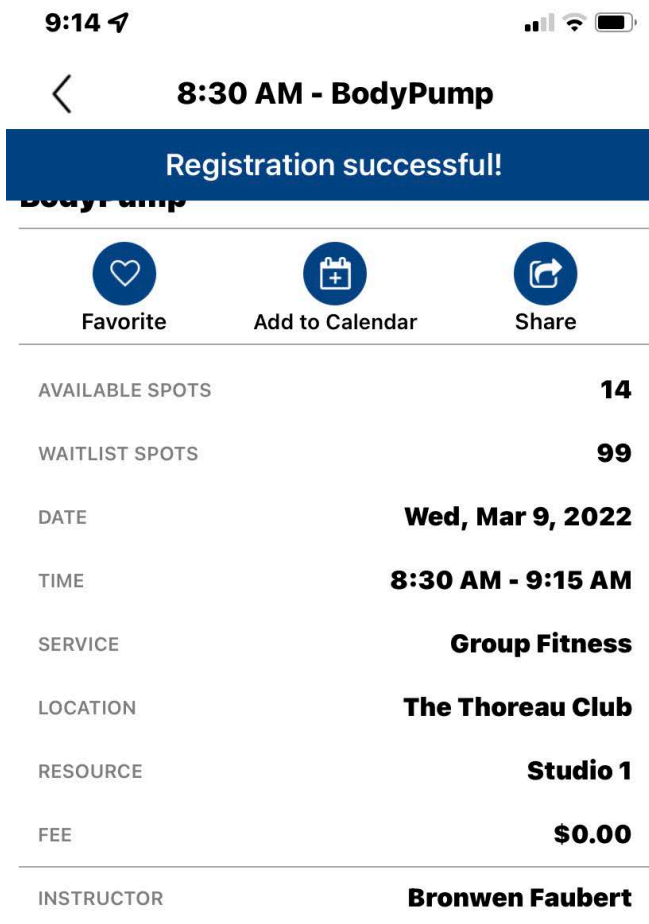

4. Select Participants

5. Complete!

Once registration is complete, the registration summary will remain on screen. From here, you again have the options to add the program to your calendar and share a link to this program.
