

Dear Members,

Given the fast-moving changes in protocol regarding the ongoing COVID-19 situation, and the need to support social distancing, **we have made the difficult decision to temporarily suspend the operation of The Thoreau Club effective Tuesday, March 17th at 6 PM.**

Membership dues will be frozen at no charge.

Your April dues will not be billed. You do not have to contact us to initiate this.

We also recognize that customers have paid for dues and programs applicable to the period when we will not be operational. We will work diligently to sort out these obligations especially since we have no way of knowing when Thoreau will resume operation and whether programs will be delayed or cancelled. We are committed to treating our customers fairly, and it is going to take time and the project will certainly not be completed until after we reopen.

We are working diligently to find solutions to helping our valued members stay healthy during this time. We passionately believe that exercise and good nutrition offer a health advantage during any time of illness or stress so we hope to bring you some virtual offerings as well as continued tips and tricks from our Fitness and Wellness teams.

Thank you for your support during this time and please stay healthy.
