## Flextime® Player Responsibilities

The unique privileges of Flextime® bring with it unique responsibilities to ensure your success within the Flextime® system. Flextime® players agree to the following, as each Flextime® player is an integral and essential part of our playing partner delivery system to every other Flextime® player in their skill level:

- Always be on time and ready to play prior to your match time.
- Play up or down in skill level graciously whenever assigned. Understand and accept that playing down is an opportunity to improve and playing up is an opportunity to test your progress.
- Play singles or doubles willingly and graciously whenever assigned.
- Be positive, friendly and gracious toward assigned playing partners.
- Comply with all Flextime® procedures, reservation guidelines, and player requirements.
