## SEPTEMBER 1-8: ART SMART

We will be painting, reading, then drawing pictures, and doing sand sculptures.

## SEPTEMBER 9-15: SCIENCE ROCKS!

This week we will learn about weather, planting, and going on a nature walk (weather dependent).

## SEPTEMBER 16-22: WELL AWARE WEEK

This week is all about nutrition, the way our body moves and grows, and how we see ourselves.

## SEPTEMBER 23-30: ENVIRONMENT IS EXCITING

We are going to learn about recycling, pollution, and geography.
