

Our Enthusiastic and Caring Staff

Our 5 to 1 camper to staff ratio provides you peace of mind knowing your children are fully engaged and cared for. Our team is top notch, coming from local colleges and universities with backgrounds in recreation, education, sociology, and business with an enthusiasm for working with children.

All counselors have received background checks and are certified in basic First Aid and CPR.

Most importantly, Camp S'More counselors begin introducing some of the character values that make our camp special: friendship, respect and responsibility.

Kristen Ritzinger,
Director of Youth
Programs

**Some of our Enthusiastic
& Caring Staff**

This camp must comply with regulations of the Massachusetts Department of Public Health and be licensed by the local Board of Health.

Camp S'more FAQs

What do campers need to bring?

Swim suit, towel, goggles (if desired), healthy lunch, snack and beverage, coat, boots, hat, mittens, and a smile!

What is the ratio of campers to staff?

We plan for a 5:1 camper:counselor ratio.

What do you do on inclement weather days?

We plan to spend time outside everyday and will follow our regular daily routine when possible.

We have indoor weather space in the event of freezing temperatures or rain. However, we believe getting snowy and muddy can be a fun experience so please send your camper with appropriate outdoor clothing and extra dry clothes, just in case.

Does my child have to swim?

Campers who do not want to swim can participate in an alternative activity or project.

Someone other than me (the legal guardian) is going to pick up or drop off my camper. What should I do?

Parents are REQUIRED to fill out an Emergency Contact Form prior to the start of Vacation Camp indicating those individuals authorized to pick up or drop off their camper. We will check ID.
